

POWERED BY ISA WEST TEAMS

Elite Instruction Program

Our **POWERED by** program is designed for established teams with their own coaches already in place that are looking to take advantage of ISA's training, facility, and branding. ISA will provide off season instruction, uniforms, access to open gym time, and options for additional coach-led practice time. Powered By team athletes do not need to attend ISA tryouts.

Off season instruction includes position specific skill instruction for your established team or program. Our program curriculum is tailored to age, skill and ability level. Our goal is to help each young athlete solidify their mechanical foundation and maximize their individual potential, ultimately creating a solid ball team.

ISA is centered in creating a progression-based instructional curriculum, complete with throwing mechanics, hitting, defense, pitching/catching, and game situations/game IQ & awareness. ISA instructors are seasoned professionals who teach players from ages 8 to 18. Each instructor has unique experience, ranging from collegiate to professional.

All Powered By teams receive 1x week practice time slot (pending package), with options for a second practice at an additional price. Coaches also get to organize and run their own team practice on an agreed upon timeslot with ISA.

Tournaments

Powered By teams are primarily responsible for selecting and registering for their own summer tournaments. Payments for tournament registration will be handled by each team, separately from ISA. ISA can help Powered by Teams select tournaments if requested. Powered By teams will be entitled to any available registration discounts that ISA receives, including tournaments hosted by ISA. Teams will also be given an opportunity to participate in the ISA Round Robin and ISA hosted tournaments in Green Bay.

Facility Use

Powered By athletes have access to the facility during scheduled open gym time during the school year (excludes holidays/planned off weeks). Players can hit, take ground balls and workout. Facility use during these times is unlimited. Athletes can start utilizing open gym time once Powered by Teams have committed to ISA.

Marucci Partnership

Uniforms/Apparel/Equipment

Marucci Sports is an official partner of Impact Sports Academy and through our partnership, ISA is able to offer an exclusive discount on Marucci products.

Each Powered By team will be provided access to the ISA Marucci website to order uniform packages, team branded merchandise, equipment and gear with discounts of up to 20% off. The team store will be open year round and allow athletes and fans a chance to order direct to their home at their convenience.

NOTE: All powered by teams are required to wear ISA uniforms.

Program Packages and Fees

Fees will be paid in monthly payments via automatic withdrawal on a pre-defined schedule. A \$250 down payment is required to secure a spot.

Fundraising Opportunity

Athletes can participate in a spring “Team Banner” fundraiser. Each player will secure advertisement funds from local businesses to be placed on the team tournament banner. Funds raised will directly benefit the player and be applied as a credit to their ISA account.

Individual fundraising opportunities are also encouraged, however, they must be pursued and completed by the individual player or team without the assistance of ISA.
